

**BACKGROUND AND OBJECTIVES OF THE AWARD**

The Erroll Garner-Martha Glaser Archive Research Award is offered by the Archives & Special Collection department within the University Library System at the University of Pittsburgh, thanks to the generosity of The Garner-Glaser Foundation, Inc. The award program is designed to provide opportunities for researchers and scholars to perform deep research into the Erroll Garner Archive and produce tangible scholarly works.

The Garner-Glaser Award seeks to provide an extended but continuous opportunity for *unfettered research and independent study* leading to a work of completed scholarship involving substantive use of the Erroll Garner collection in the University Library System. The recipient is expected to share the outcome of their research with the University of Pittsburgh by a copy of their published article, presentation, book (chapter), class curriculum, etc. The awardee is also expected to make a presentation (in-person or remote) to ULS staff on his/her work in the archive.
